Lunch	Grilled chicken salad with olive oil and fresh lemon dressing
Snack	Greek yogurt with berries
Dinner	Salmon, rice, and roasted vegetables
Snack	Protein shake or cottage cheese

HANNAH'S RECOMMENDED SNACKS

- ◆ Greek yogurt with berries
- ◆ Protein shakes — find a flavor you love, add a little peanut butter and half a banana
- ◆ Cottage cheese
- ◆ Rice cakes with peanut butter (the caramel and chocolate ones are great)
- ◆ Apple slices with almond butter
- ◆ Hard-boiled eggs

BEAT CRAVINGS

- ◆ Prioritize protein with each meal · eat foods high in fiber · stay hydrated.
- ◆ Flavored seltzer water makes you feel full — trick your brain into thinking it's soda.
- ◆ Don't let yourself get too hungry — that leads to binge eating.
- ◆ Include small portions of foods you enjoy. Nothing is forbidden, just moderated.

EATING OUT

- ◆ Look for lean protein options (chicken, lean cut steak, fish).
- ◆ Sauces and dressings on the side · grilled or baked over fried.
- ◆ Control portions: put half in a to-go box before you start eating.
- ◆ Don't try to be perfect on date night. One meal does not ruin a week — enjoy it, then get right back to it.
